However, the University agrees to notify the Union when hidden surveillance is going to be utilized on campus. The University continues to reserve the right to impose appropriate discipline for cause, based on the use of surveillance, in accordance with other applicable provisions of the CBA. Nothing in this Agreement will affect the right of the University to utilize surveillance for purposes unrelated to the administration of this Agreement."

B. C. The Employer shall not be responsible for checking off or collecting Union Dues or Service Fees during periods of leaves of absence for which the Employee received no pay from the Employer.

Adjustment #6

ARTICLE 8 - WORK WEEK AND WORK DAY Pay for actual hours worked…

A. The regular work week shall consist of five (5) days in any one week, and the regular work day shall consist of eight (8) hours in any one day. An Employee working over eight (8) hours in any one day shall be paid at the rate of time and one-half for the overtime. Any work performed on the sixth consecutive day worked in the same work week shall be compensated at the rate of time and one-half. Any work performed on the seventh consecutive day worked in the same work week shall be compensated at the rate of double time. Any Employee properly requested to report to work on any day shall receive a day's pay even though he/she is sent home because of work shortage. Paid sick leave, holidays, vacation, or any other paid leave will not be treated as days worked in computing weekly overtime.

There shall be no pyramiding of overtime: defined as the use of multiple overtime premium multipliers on any single or block hours. In other words, once an hour is counted as an overtime hour for the purpose of weekly overtime. Not included in the definition of pyramiding are those cases of shift or salary premiums. These remain subject to the normal overtime multiplier for any overtime hours.
B. **Special Needs** - Illness benefits are a type of insurance coverage, however, in addition to excused absence for personal illness, a total of five (5) days per fiscal year may be used for the special needs listed below #1-6, and charged to the sick bank:

1. Death of a member of the immediate family *(excluding those members of the family covered under Article 11, Bereavement Leave) (up to five (5) consecutive working days).

2. Quarantine required as a result of exposure to a communicable disease.

3. Emergency Care of a Member of the Immediate Family (Up to Two (2) consecutive Working Days) in total, per fiscal year.

4. Attendance at the funeral of a person not in the immediate family (up to one (1) working day) in total, per fiscal year.

5. An emergency (non-scheduled) medical or dental appointment (up to one-half (½) day), per incident.

6. Employees who have completed nine (9) months of service may use up to two (2) additional days during the fiscal year for any personal reason other than those listed above (e.g., observance of religious holiday, a scheduled medical or dental appointment, etc.). Such days will be charged to the Employee's Illness Day Plan provided the Employee gives his/her Supervisor three (3) working days’ notice and the work schedule permits such absence. In exceptional cases one (1) day notice will be acceptable. Such days will be charged to the Employee's Illness Bank. Such days are not to be taken after a request for time off (for the same day) has been denied. Such days are to be taken in full-day increments.

C. 4. **Absence Call-In procedure, Due to illness** - Communication with the Employment Services Center (Human Resources) does not satisfy the University’s absence notification requirement. It is a basic WSU (and universal) expectation that employees, not Employment Services, will notify their immediate supervisor of any variances from their established work schedule (supervisory notification unless otherwise designated by the employee’s department). FMLA application/approval does not relieve an employee of their notification responsibility.
Adjustment #8

**ARTICLE 11 - BEREAVEMENT LEAVE**

A. Up to three (3) days of bereavement leave may be used for the bereavement of a member of the immediate family*. These days will not be charged against the illness bank. The Employer reserves the right and discretion to require verification of absence when deemed appropriate.
