WORKING TEAM LEADER(S).

ARTICLE I. RECOGNITION

A. Wayne State recognizes the Council as the sole and exclusive bargaining representative for all building tradespersons employed by Wayne State in the unit of Facilities Planning and Management in the classifications outlined below (all of whom are hereinafter referred to as "Employees"), but excluding all Supervisors and Administrative employees.

B. Bargaining Unit Classifications

Maintenance Team Leader Plaster / Painter
Maintenance Team Leader Sheet Metal / Roofer
Maintenance Team Leader Electrician
Maintenance Team Leader Plumber / Pipefitter
Maintenance Team Leader Carpenter / Laborer

ARTICLE II. MAINTENANCE OF MEMBERSHIP

To the extent that laws of the State of Michigan permit is agreed that:

A. Employees current, hired, rehired, reinstated or transferred into the Bargaining Unit after the effective date of this Agreement shall not be required, as a condition of continued employment per state law, be required to become members of the Union, or to pay a service fee equal to membership dues for the duration or any extension of this agreement. If an Employee elects to do so, he/she must indicate his/her election on or before the thirtieth (30th) day following the beginning of their employment in the bargaining unit.

1. The Union security (but not dues check –off authorization) provisions of this agreement shall be of no force and effect to the extent that making or enforcing the provisions shall be contrary to Michigan State law; provided that if such law is either declared invalid, repealed or modified such lesser forms of union security such as “fair share” or “agency fee” that are again permitted by Michigan State law shall be allowed.

B. Employees who elect to pay a service fee, shall be required to tender their service fee on or before the 10th day after the 30th day following the beginning of their employment.

C. Wayne State shall be notified, in writing, by the Union of any Employee who is sixty (60) days in arrears in payment of Service Fee.

- D. If any provision of this Article is invalid under Federal or State law, said provision shall be modified to comply with the requirements of said Federal or State law or shall be renegotiated for the purpose of adequate replacement.
- E. The Council and the particular craft Union agree that in the event of litigation or administrative proceedings against the University, its agents or Employees, arising out of this provision, the Council and for the particular craft Union will co-defend and indemnify and hold harmless the University, its agents or Employees for any monetary award arising out of such litigation.

ARTICLE III. STEWARDS

- A. There shall be a Steward selected by each craft Union on each crew who will be on the job or shop at all times when Employees of his/her craft are working during the regular shift.
- B. The Steward shall be permitted a reasonable time to perform the usual duties of a Steward but shall not receive any extra pay from the University because of the performance of such duties. The Steward shall, to the extent possible, perform his/her duties as Steward without interference with his/her own job functions or the job functions of other Employees. The Steward shall not leave his/her job to conduct his/her duties as Steward without first securing the permission of his/her Supervisor.
- C. The Steward shall act as safety man/woman for Employees of his/her craft.
- D. Any new Employee shall be referred to the Steward before starting to work to be added to the Steward's Report.
- E. Before any Employee is to be laid off or discharged, the Steward shall be notified one working day prior to such layoff or discharge. If, however, summary suspension or discharge is justified in unusual circumstances, Wayne State may exercise such right of suspension or discharge but shall be subject to the grievance procedure to determine if the suspension or discharge was justified.
- F. The Union will provide the University with a current list of Stewards (representatives) within ten (10) calendar days of any representation change(s). The Union will not ask the University to recognize any Union representative who is not included on such a list.

ARTICLE IV. LABOR RELATIONS COMMITTEE/GRIEVANCE PROCEDURE

- A. The representatives of Wayne State and two representatives of the Council shall meet upon request of either party for the purpose of discussing Wayne State policies and problems in regard to this Agreement.
- B. Any grievance or dispute which may arise between the parties under and during the term of this Agreement which involves the application or interpretation of express provisions of this Agreement shall be settled in the following manner (for the purposes of Article IV, the term “grievance” shall be defined as a single grievance):

1. **STEP 1.**

Any employee having a grievance shall, within five (5) working days of the occurrence of said grievance first engage in informal discussions with his/her immediate supervisor in an attempt to resolve the matter.

2. **STEP 2.**

If the grievance is not resolved in the manner set forth above, the Council representative shall submit the Employee grievance to the Administrative Head of the Unit or his/her designee in writing within five (5) working days after the informal discussions referred to in Step I above. The Administrative Head or designee shall answer the grievance in writing within five (5) working days of receipt of the grievance, or of a meeting, if requested. All grievances must be presented on forms provided by the Employer and signed by the affected Employee in order to be valid grievances.

3. **STEP 3.**

If the grievance is not resolved at Step 2, the Council representative shall submit the appeal in writing within five (5) working days of the Step 2 disposition to the Department of Labor Relations or its designee. Representatives of the University, not to exceed three (3) in number, will meet with representatives of the Council, not to exceed three (3) in number, and shall attempt to resolve the problem and reach an agreement. Additional persons may be present by mutual agreement.

4. In the event the parties are unable to settle their differences as provided in Step 3 hereof, either party may, within fifteen (15) days, request arbitration of such differences of the American Arbitration Association and expenses thereof shall be borne equally by both parties. However, each party shall be responsible for compensating its own representatives and witnesses. Arbitration shall be under the rules of the American Arbitration Association, and the decision of the arbitrator shall be final and binding on the Council, on all the Bargaining unit Employees and on the Employer.
5. Should either the University or the Council indicate that a particular grievance or dispute is of such a nature as to require expeditious determination, said party may waive the Arbitration procedure as set forth above and request that the grievance or dispute be submitted to Expedited Arbitration. Under this process, the parties shall mutually agree to select an arbitrator on an ad-hoc basis within seven (7) working days from the date that the request for arbitration is made. Failure to mutually select an Arbitrator within the above stated time period will require the parties to (within three (3) days thereafter) alternately strike arbitrators from a panel of five (5) to be immediately established by the parties upon the close of negotiations. This panel shall remain in effect throughout the life of this Agreement.
6. The jurisdictional authority of the arbitrator is defined and limited to the determination of any grievance which involves a controversy concerning compliance with any provision of the Agreement. The arbitrator shall have no power to add to, or subtract from, or modify, any of the terms of this Agreement. The award of the arbitrator shall be based exclusively on the evidence at the arbitration hearing.
7. The Employer shall not be required to pay back wages for more than thirty (30) calendar days prior to the date any grievance is filed. Claims for back wages shall be limited to the amount of wages that the Employee otherwise would have earned less any unemployment compensation, or additional or new wages for personal services that such Employee may have received from any source during the period in question.
8. The decision of the arbitrator in any case shall not require a retroactive wage adjustment in any other case, except in representative cases when there is mutual agreement.
9. Arbitrators shall be requested to issue their decision within thirty (30) calendar days after the conclusion of testimony, argument, and submission of briefs.

10. A grievance filed by the Council on behalf of an entire craft or a larger group may, at the option of the party filing the grievance, begin at Step 2. A grievance over a suspension, disciplinary layoff, or a discharge, shall begin at Step 3, and said grievance must be filed in writing within three (3) working days of its occurrence and signed by the Employee.

11. Pre-hearing/filing expenses shall be borne equally by the Employer and the Union. However, hearing expenses (proceedings and arbitrator's services) shall be the sole responsibility of the unsuccessful party (loser pays).

Should the Union or the Employer (1) withdraw a grievance that has been appealed to arbitration or (2) postpone the hearing, within the arbitrator's calculation penalty period, that party shall be solely responsible for all cancellation penalties assessed by the arbitrator related to the subject grievance. Should arbitration be cancelled, within the arbitrator's penalty period, due to a settlement agreement between the parties, both parties will agree to split all penalty fees and/or costs assessed by the arbitrator.

12. TAPING OF MEETINGS It is understood by all parties that grievance meetings [and other employer-employee meetings] are not to be taped or otherwise recorded, unless the prior written consent of both parties has been obtained.

13. Any employee (with live disciplinary action on his/her record), who is absented from the workplace for more than 30 continuous calendar days, shall have the life of the most recent disciplinary action(s) (per unique charge) frozen, until his/her return to work.

ARTICLE V. INFORMATION

The Employer shall make available to the Council, upon a reasonable request and within a reasonable period of any and all available information, statistics and records relevant to negotiations or necessary for the proper enforcement of the terms of this Agreement. It is understood that nothing in this Article shall be construed to require the Employer to compile information and/or statistics in the form requested if not already available in that form.

ARTICLE VI. SENIORITY

- A. Seniority is defined as the length of an Employee's total University service as per craft with Wayne State.
- B. Newly hired Employees shall have no seniority for the first 180 calendar days of their employment. If such an employee continues beyond 180 calendar days, his/her seniority shall date back to his/her date of hire. In the event two or more Employees have the same seniority date, seniority shall be determined by the time card if it is available.

Employees hired to replace seniority employees who are absent due to long term illness or injury, will have no seniority for the first 9 months of employment. If such employee continues beyond 9 months, his/her seniority shall date back to his/her date of hire. Current employees who have attained seniority under the terms of the Agreement shall be grandfathered and retain their seniority.

TIE BREAKER - When two or more employees in the bargaining unit have the same bargaining unit seniority date, the seniority tie shall be broken by reference to the last four digits of the affected employees' social security number. The employee having the highest last four digit number will be granted the higher seniority.

- C. Employees who have acquired seniority and who are subject to layoff shall receive one (1) work day's notice of layoff.
- D. Employees hired on/after June 30, 1988 and who are laid off shall have recall rights to vacancies within their craft for a period equaling length of service up to eighteen (18) months. Employees hired on/after October 1, 1989 and who are laid off shall have recall rights to vacancies within their craft for a period equaling length of service up to nine (9) months. Any laid off employee shall receive five (5) work day's notice of recall. Such notice will be sent by certified mail with a copy to the Union. Failure to report to work on the day required will be construed as a voluntary resignation.
- E. Wayne State shall have no obligation to re-employ an Employee if he/she is laid off before the 180 calendar days, and an employee so laid off shall begin his/her 180 day period anew if he/she is rehired by Wayne State after six (6) months have elapsed.

F. PROBATIONARY PERIOD

1. Probationary Employee: new employees hired into the Bargaining unit covered by this agreement shall be considered probationary employees for the first 180 days of employment. Periods of absence shall not be credited toward completion of the probationary period.
2. A probationary period of 180 calendar days may be extended by mutual agreement among employee, employer and union.
3. Any layoff or termination of a probationary employee shall not be subject to grievance and arbitration.

ARTICLE VII. WAGES AND FRINGE BENEFITS

- A. Salary improvements for all employees in classifications covered by this Agreement are in accordance with Appendix A. (See Appendix A for hourly rates and salary increases.)
- B. Effective October 1, 1987 the University will begin submitting Fringe Benefit payments at the appropriate rate for each trade. Thereafter, the University will submit Fringe Benefit payments (as defined by existing practice) on the date applicable to the particular classification for all employees represented by the bargaining unit. The University will not be liable for any penalties assessed for failure to pay the appropriate rate to any fringe benefit fund which may have accrued during the negotiation of this Agreement.

The Work Leader shall have benefits based on the rate for that person's trade.

ARTICLE VIII. VACATION

Vacations are to be scheduled in advance with the Supervisor and are based upon operational needs.

CALL-IN ABSENCE REPORTING

Communication with the Employment Services Center does not the University's absence notification requirement. It is a basic WSU (and universal) expectation that employees, not Employment Services, will notify their immediate supervisor of variances from their established work schedule. FMLA application/approval does not relieve an employee of that responsibility.

ARTICLE IX. WORK DAY/WORK WEEK AND OVERTIME

- A. The regular work week shall consist of five (5) eight hour, or four (4) ten hour (voluntary) consecutive working days on one continuous shift for a total of forty (40) hours in any one work week from Monday through Thursday or Friday, inclusive, followed by two (2) or three (3) consecutive days off. Each scheduled day work shift shall include a non-paid ½ hour work break. The compensable work day begins when the Employee has registered his/her start time on the Employer's timekeeping system and ends when the Employee registers his/her end time before leaving the workplace.
1. Each employee will be provided a ten (10) minute break in each half of the work shift in keeping with necessary work schedules. It is understood that this right is not to be abused by either party.
 2. Ten (10) minutes at the end of the shift shall be allotted to put away tools and wash-up where applicable.

- B. An overtime premium of time-and-one half (1 ½) will be paid for actual hours worked in excess of eight (8) hours per day for a five (5) consecutive day schedule or in excess of ten (10) hours per day for a four (4) day consecutive day schedule, or 40 hours per week during the regular work week. Overtime hours are counted once per work week, when in excess of the regularly schedule day or in excess of the forty hour work week. With the exception of Article X.D compensatory time, unworked hours will not be treated or counted as worked hours when calculating overtime.
- C. Saturday – If called in, all work performed on Saturday shall be paid at the rate of time-and-one-half (1 ½). If pre-scheduled, all work performed on Saturday shall be paid in the following manner: (1) if 40 hours have been worked, time-and-one-half (1 ½), (2) if 40 hours have not been worked, straight time until 40 hours of work have been surpassed.
- D. Sunday – If called in, all work performed on Sundays (the seventh day of the work week), shall be at double time (2x). If pre-scheduled, all work performed on Sundays (the seventh day of the work week), and it is the seventh consecutive day worked, shall be at double time (2x). However, if pre-scheduled, all work performed on Sundays (the seventh day of the work week), and it is not the seventh consecutive day worked, shall be at the rate of time-and-one-half (1 ½).

Holidays, if worked shall be paid at double time (2x).

- E. An overtime list will be maintained by the Stewards, and will be assigned to employees in the crew where overtime exists. The overtime list will not be used when overtime results from the need to work beyond the end of the shift in order to complete a project. In such cases, the Employee (s) assigned to the project may be retained on an overtime basis to complete that job. In that event, subsequent opportunities for overtime will be equalized by the steward on a semester basis. It is understood that an inadvertent failure to offer overtime shall be remedied by providing the aggrieved employee the next available overtime opportunity.
- F. When it becomes necessary to schedule weekend, holiday or ongoing daily overtime, volunteers will first be sought in seniority order. Then, overtime will be scheduled by selecting the required number of employees in order of reverse seniority.
- G. BIRTHDAY CLAUSE - Each Employee will be given their birthday off as a paid day, provided they do not have any disciplinary action on their record (above a verbal warning). When: (1) a birthday falls on a Saturday, a Sunday, or a holiday, or (2) more than one Employee's birthday falls on the same day, management and the Employee(s) will mutually agree on an alternate date.

- H. When employees are called in by their supervisor for emergency work after being released from Duty and after completion of their daily and/or weekly work schedule, they shall receive overtime pay at the appropriate overtime rate. In no case, except as hereafter specified, shall receive less than four (4) hours pay at such rates.
- I. Emergency closure- Due to the nature of the work assignment and the importance of maintaining the operations of the University, employees are expected to report to work despite a weather or other emergency which might prohibit access to the University by other employees or students.
- J. Should the University determine the need for a seven day operation, classifications on seven (7) day operations shall be scheduled on a regular week consisting of five (5) or four (4) consecutive days (voluntary for 4-10's) of eight (8) or ten (10) consecutive hours each, followed by two (2) or three (3) consecutive days off. Employees on a seven day operation that are normally scheduled to work on Saturday and/ or Sunday will not receive the overtime rates of pay referred to in sections C and D above.

- New Year's Day
- Martin Luther King Jr. Day
- Memorial Day
- Independence Day
- Labor Day
- Thanksgiving Day
- Christmas Day

The day before Christmas and the day before New Year's Day may be taken off but will not be paid at the premium rate if worked.

- B. Article 10 official holidays shall be the actual calendar holiday, and for the purposes of this contract only, shall be observed on that day.
- C. The University may, at its discretion, determine that work performed by members of the bargaining unit will not be performed on the day after the Thanksgiving holiday and/or during some or all of the period between the Christmas Holiday and New Year's Day Holiday. During these periods only, the University may layoff employees based on total University seniority. Employees subject to layoff during these periods will receive one (1) day's notice of recall to their positions. The University will provide each employee laid off during its holiday closure with a notice indicating layoff due to lack of work and with recall date specified.
- D. COMPENSATORY TIME ACCRUAL

Holiday Closure. In addition to straight pay for hours worked, an Employee who works the Friday after Thanksgiving and any days between Christmas Day and New Year's Day will be given compensatory time off at a later date, equal to the hours worked. At the discretion of the University, an Employee may receive additional pay on a straight time basis, in lieu of compensatory time.

Emergency Closure. When the University closes before the start of a shift, Employees who report to work, as required, will receive their regular rate of pay in accordance with the provisions of this Agreement, plus compensatory time, calculated at the straight time rate, for all hours worked during the closure.

When the University closes after the start of a shift Employees shall remain at their work assignment but shall receive compensatory time, calculated at the straight time rate, for all hours worked after the designated closure.

Emergency Closure compensatory time shall be scheduled within ninety (90) calendar days from the date earned, in accordance with the operational needs of the department, or it shall be forfeited.

E. COMPENSATORY TIME USAGE

Compensatory time shall be scheduled in advance, time earned in one calendar year must be used by December 31 of the following calendar year. Time not used will not be carried forward to the following calendar year and is not subject to pay out when the employees is departing the University.

Aunts, uncles, nieces, nephews, cousins and grandchildren shall be considered member of the immediate family if living with and residing with the employee.

An Employee's individual compensatory time bank may accumulate to a maximum of forty-eight (48) hours only. In years where an Emergency Closure occurs an Employee's EC comp time bank may accrue to a max of twenty four (24) hours only. There is no cash-out of unused compensatory time upon separation from the University.

ARTICLE XI. TOOLS

All power tools are to be furnished by Wayne State for an Employee's use. If an Employee's power tools are used, it shall be considered a violation of this Agreement.

ARTICLE XVI. SUBCONTRACTING

The right of contracting or subcontracting is vested in the Employer. The Employer shall require that contractors or subcontractors comply with applicable statutes governing the payment of prevailing wage rates. At the Union's request, the Employer shall provide a certified payroll from contractors or subcontractors. The privilege to request payroll data shall not be abused by the Union. The Employer may exercise the right to contract or subcontract as long as it does not result in the layoff of any current employee who has attained seniority under this Agreement.

There shall be no monetary liability incurred by the University for the contractor or subcontractor's failure to pay the prevailing wage rate. RE: Medical Leave

Dear Pat:

During negotiation, the parties discussed the need for seniority employees to have reasonable assurance of continued employment following an extended period of illness, disability or injury.

The parties agree that seniority employees who are medically disabled from work shall be granted an unpaid leave of absence of up to nine (9) months [after approximately 3 months of approved FMLA leave, if applicable], during which seniority will be frozen, subject-to the following conditions:

- a) The employee must submit medical documentation satisfactory the University to justify the leave and its proposed length.
- b) One week prior to returning, the employee must provide a note from the physician retuning the employee to work, with or without need for reasonable accommodation.
 - Employees who fail to return to work upon expiration of a leave shall lose their seniority.
 - The University, per Article VI, may designate a medical replacement, temporary employee for up to nine (9) months. That replacement employee shall not achieve seniority unless retained beyond nine (9) months, in which event seniority shall date back to the date of hire.

Very truly yours,

A.L. Rainey, Jr.
Director, Labor Relations

Nothing contained in this letter shall preclude the parties from making alternate arrangements to repay the amount owing.

Very truly yours,
