PREFACE

The Board of Governors of Wayne State University and UNITEHERE! LOCAL 24, AFL-CIO recognize their moral and legal responsibilities under Federal, State and Local laws.

The University and the Union recognize the moral principles involved in the area of civil rights and fair employment practices and reaffirm in this Collective Bargaining Agreement their commitment not to discriminate because of race, creed, color, sex, age, marital status, or national origin.

GENERAL PURPOSE

It is the general purpose of this Agreement to promote the mutual interest of the University and its Employees, and to provide for the operation of the University's business under methods which will further, to the fullest extent possible, the safety of the Employees, economy and efficiency of operation, elimination of waste, and realization of maximum quantity and quality of output. The parties to this Agreement will cooperate fully to secure the advancement and achievement of these purposes.

ARTICLE 1 - MANAGEMENT RIGHTS

All management rights and functions, except those which are abridged by this Agreement, shall remain vested in the University. These rights shall include the right to hire, promote, lay off, discipline, discharge, refuse to hire, set work schedules, make work assignments and direct and control its operations provided any decision of the University which is contrary to this Agreement shall be subject to the grievance procedure.

The University reserves the right to monitor the workplace with visible and hidden cameras. Hidden cameras may be utilized when the University reasonably suspects, health, safety, performance, or University policy violations; the University need not reveal exact location and times of use. However, the University agrees to notify the Union when hidden surveillance is going to be utilized on campus. The University continues to reserve the right to impose appropriate discipline for cause, based on the use of surveillance, in accordance with other applicable provisions of the CBA. Nothing in this Agreement will affect the right of the University to utilize surveillance for purposes unrelated to the administration of this Agreement.

ARTICLE 2 - STRIKES

- A. The Union recognizes that strikes by Public Employees are prohibited by Act 336, Public Acts of 1947, as amended by Act 379, Public Acts of 1965, and agrees that it will comply with said Act, as well as all other laws affecting this Agreement.
- B. The Union agrees that neither its officers nor its representatives will for any reason, directly or indirectly, call, sanction, or approve any strike, picketing, walkout, slowdown, sit-down, stay-away, boycott of a primary or secondary nature, or any other form of interference with the services and operation of the University.

- A. Authorized representatives of the Union shall be permitted to visit the Employer's establishment for the purpose of communicating with Employees and appropriate supervisors regarding Union business. Such visits shall not unreasonably interfere with the operation of the Employer's business, or with the performance of work by Employees during their working hours. - C. Unite Here Local 24 may select a reasonable number of Union Stewards from among the Employees. The Union is responsible for notifying the Employer, in writing, as to the names of the Union Stewards, and keeping the Employer apprised of any changes. Union Stewards may act as Union representatives, assist Union representatives in proceedings under Article 22 (Grievance Procedure), and engage in discussions with the Employer's designated representatives of questions or concerns regarding the Employer's work practices or procedures.

The Union Steward's activities may not interfere with regular business operations. Union Stewards shall be permitted reasonable access to the members they represent. The Union Steward shall request approval (which shall not be unreasonably withheld) from the appropriate supervisor(s) prior to entering a work area for the purpose of investigating grievances. The Union Steward shall indicate in a manner prescribed by the Employer time spent engaging in such activities. Such time off from work shall only be taken when the matter reasonably cannot be handled during non-working time and shall not interfere with the operation of the business. Union Stewards and representatives shall be excused from work to attend Union meetings without pay upon reasonable notice to the Employer. Employees will be provided with the Steward of the Employee's choice upon request, provided the Steward of choice is working and available at the time of the request.

ARTICLE 4 - PROBATION

- A. An Employee is a "probationary Employee" for his/her first one hundred and fifty (150) calendar days of employment. However, periods of absence from work shall not be counted toward completion of the probationary period.
- B. There shall be no seniority among probationary Employees. Upon completion of the probationary period, the Employee will acquire seniority from his/her date of hire.
- C. The Union shall represent probationary Employees for the purposes of collective bargaining in respect to rates of pay, wages, hours of employment, and other conditions of

employment, except no matter concerning the discipline, layoff, or termination of a probationary Employee shall be subject to the grievance and arbitration procedures.

- D. A probationary period in excess of one hundred fifty (150) calendar days may be extended by mutual agreement among Employee, Employer, and Union. These extensions shall be in 30 day increments.

ARTICLE 5 - SENIORITY

- A. The Employer shall recognize seniority rights in their respective classifications and Employees shall be promoted, demoted, laid off and returned to service according to their length of service, provided, however, that such Employees qualify.
- B. Seniority Employees shall have choice of shifts, days off, and vacation periods within their job classification. Such choices shall be made as openings occur.
- C. Seniority rights shall terminate if an Employee:
 - 1. Quits or retires.
 - 2. Is discharged for cause.
 - 3. Fails to return to work from an approved leave of absence.
 - 4. Is absent for three (3) consecutive working days without notifying the Employer. The Employer may make exceptions for just cause.
- D. The employees having the highest last four digit number will be granted the higher seniority.
- E. The Employer shall furnish the Union with a monthly list (in excel format) of all Employees in the bargaining unit, including each Employee's name, social security number, department, job title, home address, email address, phone number, date of birth, date of hire, bargaining unit seniority date, and sex.

ARTICLE 5.1 - LAYOFFS AND RECALLS

To the extent practicable, the Employer will provide the Union advance notice of possible workforce reductions. When such notice is provided, if the Union requests, the parties may meet to discuss the possible layoff.

The Employer will provide the employee to be laid off 30 calendar days' notice of layoff. The Union will be provided concurrent 30 days written notice of the name, seniority, and classification of Employees being laid off.

- A. In the event of a layoff, the Employer shall effectuate the layoff using university seniority, in the affected classifications in the following order:
 - 1. Probationary Employees; then
 - 2. Part-time Employees; and then
 - 3. Full-time Employees (lowest seniority).
- B. Recall shall be based upon highest university seniority provided that the Employee has the qualifications to perform the available work. Employees shall have recall rights up to three (3) years from the date of layoff, not to exceed their length of university service.
- C. The Employer shall share resources and information regarding training programs to assist laid off Employees in qualifying for available positions. When an Employee is on layoff, due to elimination of a classification, reduction of work or technology, they may be eligible for benefits of the Employee Assistance Program. The parties agree to review the possibilities of both Employee Assistance Program and Tuition Assistance benefits for bargaining unit members, upon receipt of a layoff notice.

ARTICLE 6 - JANITOR LEADER

- A. The parties agree to a program that would designate selected Employees as leadpersons. The leadperson is an Employee who, in addition to his/her normal duties and responsibilities, is specifically assigned by his/her superiors, the responsibility to assign and coordinate the work of two or more Employees and to see that the assignment runs smoothly and efficiently and to answer to his/her superiors for progress or lack of progress and the quality of work being done. He/she shall be paid at a rate of his/her normal hourly rate, plus 7% additional, plus shift premium, if applicable, for the entire shift in which leadpersons shall be as set forth below notwithstanding the provisions of Article 6.
- B. The Director of Custodial Services may select for promotion any janitor leader whom he/she determines to be the best qualified.
- C. The selected candidate shall undergo a six (6) month qualifying period during which the person may be returned to the prior classification if the performance is not satisfactory to the Director of Custodial Services. That return decision is not subject to the grievance challenge.

ARTICLE 7 - COLLECTION OF UNION DUES

- A. Payment by Check-off: Members of the Bargaining Unit, if they so elect, may tender their Union Dues or a Union Service Fee equivalent to the amount of dues uniformly required of members of the Union by signing an authorization form, provided by the Employer.

- B. Check-off Form: During the life of this Agreement and in accordance with the terms of the authorization for said form, the Employer agrees to make deductions from the pay of each member of the Bargaining Unit who agrees and completes the form.
- C. The Employer shall not be responsible for checking off or collecting Union Dues or Service Fees during periods of leaves of absence for which the Employee received no pay from the Employer.
- D. It shall be the duty of the Employer at the time of hire to provide the Employee with the Check-off Form. It shall be the independent duty of the Union to notify and/or provide any additional forms to the Employee that are required for bargaining unit membership.
- E. The Employer shall notify the Union within ten (10) days of any Employee hired, rehired, reinstated, or transferred into the Bargaining Unit, and will furnish the Union, no later than the tenth (10th) of the month a listing of all Union Dues or Union Service fees deducted for the previous month showing the name, file number, pay code, and amount deducted from all members of the Bargaining Unit, including additions and deletions since the last listing with explanation of changes.
- F. The Employer shall not be liable to the Union by reason of the requirements of this section for the remittance or payments of any sum other than that constituting actual deductions made from wages earned by Employees.
- G. The Union shall indemnify and hold the University harmless from any and all claims, demands, suits or any other action(s) arising from the terms of this Article.
- H. During a department's new hire orientation, Unite Here shall be permitted a total of thirty (30) continuous minutes, without interruption by the Employer, to meet with potential members.

The Employer shall continue its neutral approach to Union membership, and thus shall not make adverse or positive comments about Union dues deduction cards or Union membership, and shall not advise applicants or employees as to the need for or the desirability of Union membership.

ARTICLE 8 - WORK WEEK AND WORK DAY

- A. The regular work week shall consist of five (5) days in any one week, and the regular work day shall consist of eight (8) hours in any one day. An Employee working over eight (8) hours in any one day shall be paid at the rate of time and one-half for the overtime. Any work performed on the sixth consecutive day worked in the same work week shall be compensated at the rate of time and one-half. Any work performed on the seventh consecutive day worked in the same work week shall be compensated at the rate of double time. Any Employee properly requested to report to work on any day shall receive a day's pay even though he/she

is sent home because of work shortage. Paid sick leave, holidays, vacation, or any other paid leave will not be treated as days worked in computing weekly overtime.

Pyramiding - There shall be no pyramiding of overtime: defined as the use of multiple overtime premium multipliers on any single or block hours. In other words, once an hour is counted as an overtime hour for the purpose that same hour cannot be counted as an hour worked for the purpose of weekly overtime. Not included in the definition of pyramiding are those cases of shift or salary premiums. These remain subject to the normal overtime multiplier for any overtime hours. The same principle applies to closure compensation.

- B. The Employer has long recognized the Employee's need for reasonable rest periods during the course of the normal work day and the Employee will be provided ten (10) minutes in each half of each work shift in keeping with the necessary work schedules. It is understood that this right is not to be abused by either party. Ten (10) minutes at the end of the shift shall be allotted to put away work materials, clean up, and travel time to designated check out locations.
- C. Overtime shall be distributed to employees working within the same job classification. An overtime list shall be maintained and overtime shall be offered in order of seniority.

ARTICLE 9 - ILLNESS BANK

It is understood that the Illness Bank is intended to compensate Employees for illness. The Employer reserves the right and discretion to establish attendance standards, to institute discipline, and to require verification of absence when deemed appropriate.

- A. Regular full-time Employees shall accumulate illness days as follows:

- 1. Illness days shall accrue at the rate of .65 for each pay period completed, but shall not accrue for any unpaid time during the pay period. Unpaid time during a pay period will result in proration of the accrual hours, Any unpaid time shall be deducted from the total possible per pay period accrual amount of 5.20 hours.

For example: If an employee misses an eight [8] hour day, the accrual would be 0.52 hours per day x nine days, instead of 10 days [0.52 hours x 9 days = 4.68 hours] accrued.

- 2. The Illness Bank shall accrue to 200 days. Effective the date of this agreement, any Employee who has an illness bank frozen at 132 days will begin accruing up to a maximum of 200 days.
 - 3. Utilization of illness days requires ninety (90) days of continuous full-time service.
- B. Special Needs - Illness benefits are a type of insurance coverage, however, in addition to excused absence for personal illness, a total of five (5) days per fiscal year may be used for the *special needs* listed below #1-6, and charged to the illness bank. For approval,

Employees must have enough illness bank time to cover Special Needs absences, as listed below:

1. Death of a member of the immediate family *(excluding those members of the family covered under Article 11, Bereavement Leave) (up to five (5) consecutive working days).
2. Quarantine required as a result of exposure to a communicable disease.
3. Emergency Care of a Member of the Immediate Family (Up to Two (2) consecutive Working Days) in total, per fiscal year.
4. Attendance at the funeral of a person not in the immediate family (up to one (1) working day) in total, per fiscal year.
5. An emergency (non-scheduled) medical or dental appointment (up to one-half (1/2) day), per incident.
6. Any Purpose Days - Employees who have completed nine (9) months of service may use up to two (2) additional days during the fiscal year for any personal reason other than those listed above (e.g., observance of religious holiday, a scheduled medical or dental appointment, etc.). Such days will be charged to the Employee's Illness Day Plan provided the Employee gives his/her Supervisor three (3) working days' notice and the work schedule permits such absence. In exceptional cases one (1) day notice will be acceptable. Such days will be charged to the Employee's Illness Bank. Such days are not to be taken after a request for time off (for the same day) has been denied. Such days are to be taken in full-day increments.

* Immediate family shall be defined as: Husband, Wife, Father, Mother, Brother, Sister, Son, Daughter, Grandmother, Grandfather, Mother-in-law, Father-in-law, Brother-in-law, Sister-in-law, Daughter-in-law, and Son-in-law. Aunts, Uncles, Nieces, Nephews, Cousins and Grandchildren shall be considered members of the immediate family only if living in the Employee's immediate household.

C. Reporting Absence Due to Illness

1. It shall be the responsibility of the Employee to report illness prior to the start of the regularly scheduled reporting time. If the Employee does not call in, he/she will be deducted one day's pay (or the number of days of absence).
2. Failure to report absence due to illness on each day is considered unauthorized absence and shall result in loss of pay for the day. Longer intervals between calls may be established by the Supervisor if it is determined that the Employee will be off for an extended period.
3. The Supervisor shall have the right at any time to request the Employee to submit to a physical examination if there is a question of the legitimate nature of the illness or request

a statement from the attending physician certifying to the care administered to the Employee.

4. Absence Call-In Procedure, Due to Illness- Communication with the WSU Human Resources does not satisfy the University's absence notification requirement. It is a basic WSU (and universal) expectation that employees, not WSU Human Resources, will notify their immediate supervisor of any variances from their established work schedule (supervisory notification unless otherwise designated by the employee's department). FMLA application/approval does not relieve an employee of their notification responsibility.

Due to needs of the operation, employees are required to notify their supervisor (or designee) of any unscheduled absence no later than the deadline that is indicated in their respective unit's call-in policy.

- D. The University will pay all Employees who retire with benefits from the Union Pension Plan, one-half ($\frac{1}{2}$) of their accumulated unused sick days in cash up to a maximum of pay for thirty (30) days. In the event of death after ten (10) years of continuous full-time service, the University will also pay one-half ($\frac{1}{2}$) of the accumulated unused sick days not to exceed thirty (30) days pay to the beneficiary designated on the Union insurance plan or to the estate in the absence of such beneficiary. Upon resignation after completion of five (5) years of continuous full-time service, the University will pay the Employee one-quarter ($\frac{1}{4}$) of his/her accumulated sick days up to a maximum pay for fifteen (15) days providing that the Employee has given the University two (2) weeks notice of the intent to separate.

ARTICLE 10 - LEAVE OF ABSENCE FOR ILLNESS OR DISABILITY

- A. An Employee with seniority who (1) is unable to work because of personal sickness or injury and (2) has exhausted sick pay and vacation payments shall be granted a leave of absence without pay upon request in writing to the Personnel Office and furnishing evidence of disability satisfactory to the University. Such request and evidence may be delivered or sent to the Personnel Office by the Employee.
- B. The leave of absence shall be for the period of continuing disability for a period of time up to one (1) year. Within the year the Employee shall have the right to return to his/her position, or a similar one, provided he/she is able to meet the necessary standards of health and competence upon return. In the event the Employee is unable to meet the necessary standards of health and competence, he/she shall be considered for other jobs for which he/she may be qualified.

- C. To return to work the Employee shall:
1. Notify the WSU Human Resources at least one week prior to the anticipated return date so that arrangements may be made for a return to work physical examination, if so requested by the University.
 2. Have a "Physician's Report on Illness of Employee" form filled out by the Employee's physician and present it to the WSU Human Resources where it will be determined if a physical examination is necessary.
 3. Satisfactorily pass the physical examination at the WSU Human Resources or designated physician, if so directed by the University.
- D. Official leave time for illness or disability is deductible from service years when figuring eligibility for University fringe benefits and seniority.

ARTICLE 11 - BEREAVEMENT LEAVE

- A. Up to three (3) consecutive days of bereavement leave may be used for the bereavement of a member of the immediate family*. These days will not be charged against the illness bank. The Employer reserves the right and discretion to require verification of absence when deemed appropriate.

*Immediate family shall be defined as: Mother, Father, Sister, Brother, spouse and children. If living in the Employee's household, a Grandmother, Grandfather, Mother-in-law and Father-in-law shall be considered members of the immediate family.

- B. One (1) day of bereavement leave, not charged against the illness bank, may be used for the bereavement of other family members who are related and living in the Employee's immediate household, for whom the Employee has assumed financial responsibility and declares them as a dependent for Federal income tax purposes.
- C. Two (2) additional days may be charged to the sick bank for bereavement of members of the immediate family.

ARTICLE 12 - RESERVED FOR FUTURE USE

ARTICLE 13 - RETIREMENT PROGRAM (As of 7/1/17)

The University Retirement Program provides Employees the option of purchasing individually owned annuities issued by the Teachers Insurance and Annuity Association (TIAA) – College Retirement Equities Fund (CREF), or participating in the mutual fund plan of Fidelity Investments or to divide participation between TIAA/CREF and Fidelity Investments.

Option #1: Non-contributory insurance plus supplemental insurance, equal to one times Effective sixty (60) calendar days after the ratification of the 2009-2013, fractional and full-time Employee who have attained twenty-six (26) years of age shall be eligible to participate in the University sponsored retirement programs with University contribution.

Fractional or full-time Employees, immediately upon employment, may participate in the retirement program on an individual basis with University contribution. The Employer match shall start at a 1% employee contribution, and increase on a 2 for 1 basis, up to a 5% employee contribution (10% maximum University contribution).

For the University contribution, vested percentage is as follows:

<u>Years of Vested Service</u>	<u>Vested Percentage</u>
Less than 2 years	-0-
2 years or more in a pay status.	100%

For the purpose of this article, “Vested Service” is defined as: (1) If employment ends prior to 2 years of service, 100% of the employer contribution is forfeited to WSU, (2) If employment ends after 2 years of service the employee is entitled to 100% of the employer contribution. Employees with previous service at an eligible institution may be able to waive all or a portion of the two-year vesting requirement.

ARTICLE 14 - LIFE INSURANCE

All Employees in full time positions shall be provided with non-contributory life insurance that is equal to the Employee’s annual salary (or a minimum of \$25,000). Employees may purchase additional amounts of supplemental life insurance at subsidized and graduated rates by election of Option No. 1, 2, 3, or 4 below. All Eligible Employees shall be entitled to elect one of the following:

- Option #1: Non-contributory insurance plus supplemental insurance, equal to one times annual salary to maximum of \$750,000 of total coverage.
- Option #2: Non-contributory insurance plus supplemental insurance, equal to two times annual salary to maximum of \$750,000 of total coverage.
- Option #3: Non-contributory insurance plus supplemental insurance, equal to three times annual salary to maximum of \$750,000 of total coverage.
- Option #4: Non-contributory insurance plus supplemental insurance, equal to four times annual salary to maximum of \$750,000 of total coverage.

An Employee who has participated in the Wayne State University retirement program for five years or who has 10 years of University service and retires on or after age 55 shall, upon retirement, qualify for the retirement life insurance in force fully paid by the University.

Employees shall have the privilege of conversion of the remaining amount of their group life insurance to any standard policy issued by the insurance company without physical examination.

ARTICLE 15 - LONG TERM DISABILITY

The University shall provide a long-term disability insurance program which will be administered in accordance with the terms stipulated in the insurance contract. Participation in the disability program shall require a minimum of one (1) year of regular full-time service with the University. The decision of the carrier is not grievable to the University.

- a) The monthly benefit for eligible Employees will be paid starting from the first month following six months of continuous disability. Benefits will be paid as long as the disability continues or until the Employee reaches age 65. However, if the disability commences after the Employee reaches age 60 but prior to the age of 68.5, the benefits will continue for five years or until the Employee reaches 70 whichever occurs first. If the disability begins on or after age 68.5 benefits will continue for one year.
- b) The monthly benefit including any benefits from Social Security and/or Worker's compensation will be equal to 66 2/3% of the Employee's basic salary up to a maximum of seven thousand dollars (\$7,000) per month.
- c) The monthly benefit shall not be less than one hundred (\$100.00).
- d) The Employer will pay the full cost of the basic and supplemental life insurance coverage. Medical coverage will be subsidized by the Employer at the same rate that is provided to active Employees.

ARTICLE 16 - DENTAL INSURANCE (As of 7/1/17)

The University shall provide dental coverage as presently described in the University's dental care contract with Delta Dental of Michigan to eligible enrolled members of the bargaining unit. Members of the bargaining unit who participate in this plan shall be required to make a contribution equal to five percent (5%) of the premium rate for the coverage selected, effective immediately upon ratification. Effective March of 2016, members of the bargaining unit who participate in this plan shall be required to make a contribution equal to twenty percent (20%) of the premium rate for the coverage selected. Effective March 1, 2003 the annual cap on benefits will be \$1,500.

Employees and their eligible dependents must be enrolled in a University medical plan to receive coverage.

Interlocking Enrollment

The Medical and Dental coverage level must match (i.e. Family-Family, Single-Single).

ARTICLE 17 - MEDICAL INSURANCE

Medical insurance is available to Employees through contracts and agreements executed by the Employer with Blue Cross/Blue Shield, Blue Care Network, Health Alliance Plan, SelectCare, and DMC CARE or comparable carrier.

- A. For all HMO/PPO's the University shall provide a subsidy equal to the subsidy in effect on 8/31/94 (or the full cost of the premium if equal to or less than the 8/31/94 subsidy) plus 70% of the actual dollar increase in premium for Single, 2-Person and Family coverage plus an additional \$7.50 per month subsidy for family coverage.

For BCBS, the University will provide a subsidy equal to the subsidy in effect on 8/31/94 plus 70% of the average cost increase for Single, 2 Person and Family coverage for the four HMO/PPO's plus an additional \$7.50 per month subsidy for family coverage.

(The purpose of this formula is to share in the cost of increases and savings of decreases from the base period.)

For at least the life of this Agreement, there shall be the following modifications:

- a) \$20 co-pay on office visits;
- b) \$5/\$20/\$45 co-pay for prescription drugs;
- c) \$20 co-pay on Urgent Care visits;
- d) \$100 co-pay on Emergency Room visits; nothing if admitted to the hospital;
- e) A mail order prescription drug option.

(The purpose of this formula is to share in the cost of increases and savings of decreases from the base period.)

- B. An Employee wishing coverage under one of the plans must file application within the first month of employment. The effective date of coverage is the first (1st) of the month following enrollment. In the event the Employee fails to apply within the first month, he/she will be required to comply with the terms stipulated by the insurance carrier to obtain coverage.

EQUIVALENT COVERAGE Medical insurance is available to members of the bargaining unit through contracts and agreements with various insurance carriers selected by the University. The University may offer a new plan (or plans) and provider(s) with coverage levels and other terms as they determine. However, the current subsidy and cost increase sharing ratios, as outlined in Section A of this Article, shall be maintained for future cost increases arising for any new plan(s). The University may substitute one carrier for another, provided that any substitution shall provide equivalent coverage over a similar geographic area within Southeastern Michigan. Equivalent coverage is not exactly the same, but is essentially as good, or better than, on an overall basis across the plan. The union shall be notified of the substitution of an existing carrier within no less than 60 days prior to the

effective date of such change. The union shall then have the opportunity (for the next 30 days after notice) to confer on the replacement plan with the University, prior to implementation.

- C. The employer may unilaterally cancel an existing medical insurance plan providing it accords affected Employees with conversion privileges to any successor plan of the Employee's choice. A change in health insurance carrier may result in a change in coverage as permitted in the above section on equivalent coverage. Any preexisting conditions of the Employee shall be covered by the newly elected plan.

Interlocking Enrollment

Medical and Dental coverage level must match (i.e. Family-Family, Single-Single).

- D. Effective October 1, 1989 (or an soon thereafter as the University can effect the change), bargaining unit members shall have the option of continuing coverage under one of the Plans provided by the Employer or of dropping coverage provided that the Employee is covered under an alternative external health insurance plan (i.e., coverage under a spouse's plan), and specifically requests such an option in writing and documents the alternative coverage.

An Employee who forgoes coverage under a University plan will receive from the University one hundred dollars (\$100.00) per month in lieu of medical insurance coverage. The monthly payment is contingent on the employee being covered by a medical plan that is not a Wayne State University offered plan. If the employee is covered under a Wayne State University plan (either as an employee or dependent), the bargaining unit member shall not be eligible for the monthly payment.

With the exceptions listed below, an Employee who elects not to be covered under a University plan and subsequently desires such coverage will be required to wait for such coverage until the first (1st) day of the month following ninety (90) days after application or until the next open enrollment period, depending upon the plan's requirement. The exceptions to this waiting period are:

1. The death of a spouse of other person with whose insurance plan the Employee maintains coverage; and
2. The Employee's divorce from his/her spouse and the Employee maintained coverage under his/her spouse's medical insurance.

Where one of the exceptions listed above (death or divorce) occurs and the Employee is able to provide sufficient documentation thereof, the Employee may make application for coverage under one of the University plans and coverage will be effective on the first (1st) day of the month following application.

- E. VISION INSURANCE: Effective on the first day of the first full month following ratification of this Agreement (2006), the University shall provide vision care coverage to all bargaining unit Employees (who are enrolled in University medical insurance plans) as

described in the contract between the Employer and the carrier. The University shall subsidize the cost, at the rate of 50%.

- F. OTHER ELIGIBLE PERSON (“OEP”) PROGRAM: Bargaining unit members may participate in a program under which certain unrelated individuals (i.e. Other Eligible Person) may be eligible for medical, dental and/or tuition reimbursement benefits. The University will review the program annually to determine if it will be continued for the next plan year. Should the University decide to discontinue the program, 30 days notice shall be provided to participants. Bargaining unit members are strongly encouraged not to forego health and/or dental coverage that may be available to them from other sources. The University reserves the right at its sole discretion at any time during the program to change, modify or suspend this program and the means by which eligibility for benefits under this program is determined and verified.

Eligibility:

Under this program, a bargaining unit member who does not already enroll a spouse for medical, dental and/or tuition benefits may enroll one Other Eligible Person (“OEP”), if ALL of the following eligibility criteria are met:

- The OEP is an adult, age 26 or older;
- The OEP currently resides in the same residence as the employee, other than as a tenant, and has done so for the 18 continuous months prior to the individual’s enrollment;
- The OEP is not a “dependent” of the employee as defined by the IRS; and
- The OEP is not related to the employee by blood or by marriage.

Children who are qualified as WSU-defined dependents of an employee’s OEP are also eligible for benefits.

Taxability of Benefits:

As a matter of law, the employer cost of providing benefits of the type described above is considered ordinary income and is, therefore, subject to taxes, including FICA, FICA Medicare, federal, state and city taxes.

Ineligibility:

The following individuals do not fall within the eligibility criteria for this program: The Spouse, children, grandchildren, parents, grandparents, siblings, nieces, nephews, aunts, uncles, cousins, landlords, renters, boarders and tenants of employees.

- G. Dependents (claimed on benefits forms) that are between 19-25 years of age are required to maintain full time college student status in order to receive medical, dental, or vision benefits coverage.

ARTICLE 18 - HOLIDAYS

- A. The following shall be recognized as official University holidays and paid at straight time if not worked: Independence Day, Labor Day, Thanksgiving Day, the day after Thanksgiving, Christmas Day, New Year's Day, Martin Luther King Jr. Day, and Memorial Day. Employees who have completed the probationary period will receive one additional holiday per fiscal year on a date to be selected by the Employee and to be approved and granted by the Supervisor upon receipt of at least two (2) weeks' notice, if the needs of the University permit. If the Employee's original selection is not approved, another date within the fiscal year shall be mutually agreed upon.
- B. When one of the holidays indicated above falls on a Saturday or Sunday, another day shall be observed as the holiday. If a holiday falls on an Employee's regular day off, time off work with pay on another day shall be observed as a holiday.
- C. The holiday shall be the consecutive twenty-four (24) hour period starting with the Employee's starting time on the calendar day on which the holiday is observed.
- D. An Employee shall receive no pay for the holiday if, on either of the scheduled work days immediately before or after the holiday, he/she absents him/herself for any portion of the work day in excess of one (1) employment hour, or fails to punch in or out, and the absence is for reasons other than paid medically-verified illness leave, vacation, or other leave with proper permission.
- E. If an Employee works on any of the holidays above mentioned, his/her total compensation shall be one hundred and fifty (150%) percent of his/her basic or hourly rate, plus eight (8) hours for the holiday pay.
- F. When a University holiday falls during an Employee's vacation, he/she shall be paid for the holiday and it shall not be deducted from his/her vacation bank. The unused vacation day may be used at another time to be arranged with the appropriate supervisor.

ARTICLE 19 - CHRISTMAS/NEW YEAR'S CLOSURE

- A. Christmas/New Year's Closure is defined as the period from December 25 through January 1. Employees will be given time off their regularly scheduled work days with pay during Christmas/New Year's Closure. An Employee required to work on any day(s) during this period other than those days designated as official holidays will be given compensatory time off on a straight time basis at a later date to be used within ninety (90) days, or it shall be forfeited. Compensatory time shall be utilized in no less than four (4) hour increments. Whenever possible compensatory days off shall be scheduled according to the choice of the Employee on a seniority basis.

At the discretion of the University, an Employee may receive additional pay, on a straight time basis, in lieu of compensatory time.

- B. Employees scheduled to work during Christmas/New Year's Closure will receive fourteen (14) days advance notice, whenever possible, or except when it is necessary to replace

Employees previously scheduled, or in the event of a situation which may be considered an emergency.

When the holiday (Christmas Day, New Year's Day) falls on a Saturday, it will be observed on Friday (the day before). When the holiday (Christmas Day, New Year's Day) falls on a Sunday, it shall be observed on Monday (the day after).

ARTICLE 20 - VACATION

- A. Vacation time off shall be in accordance with the operational needs of the Department and scheduled by the supervisor.
- B. The Vacation Table listed below shall apply to all Employees represented by Local 24. It is exclusive of "paid holidays" or any special days off with pay designated by the President.

<u>Length of Service</u>	<u>Annual Vacation</u>
0 thru 4 years	12 days
5 thru 10 years	15 days
11 thru 15 years	20 days
16 or more years	23 days

Effective June 1, 1992, Employees shall be restricted to a maximum vacation accrual of 23 days.

- C. Vacation allowance shall be credited at the end of six months of service. Thereafter, vacation days shall accrue at the end of each pay period completed without loss of pay.
- D. Employees shall take vacation in blocks of five (5) days or more with the option of taking up to seven (7) days during the calendar year at the rate of less than five (5) days at a time subject to conditions in paragraph A above.
- E. Vacations will be taken in the service (anniversary) year in which they are earned. However, if approval is given in writing by the Director, vacation time may be accrued up to the maximum stated in paragraph B above.
- F. Employees who leave the University after six (6) months of continuous full-time service shall be paid for their unused accumulated vacation days as of the date of termination of employment.
- G. If a pay day falls during an Employee's vacation of two (2) weeks or more, an advance check may be requested in writing from the Payroll Office in accordance with established procedures provided:
 - 1. There is a sufficient vacation bank as of the last pay period prior to the date of request for the advance payment.

2. The written request must be submitted to Payroll at least ten (10) work days prior to date of issuance of the advance check.

ARTICLE 21 - GENERAL PROVISION

- A. The Employer shall furnish four (4) sets of uniforms to all Employees in the Bargaining Unit (with appropriate employee identification) upon completion of the probationary period, unless waived by the Departmental Administrator. Employees who are supplied such uniforms are required to wear them while on duty. Uniforms which are worn out or damaged (defined as frayed, tattered, discolored, split, or torn) will be exchanged for a new uniform (on a piece-for-piece basis) without undue delay.
- B. The Employer shall be responsible for the safekeeping of Employee's clothing in a place to which the public shall not have access.

Snow Removal

The University may require snow removal and other winter weather related duties of Local 24 Employees for the entrance areas adjacent to buildings at which Employees are assigned. Employees performing such duties will be provided one set of overshoes, knit cap and gloves. Loss of such items may require their replacement at the Employee's expense.

ARTICLE 22 - GRIEVANCE PROCEDURE

- A. In order to promote and maintain the proper relationship between the University and the Union, any dispute or grievance concerning the interpretation or enforcement of this Agreement shall be resolved according to the following successive Steps:

Step 1

Between the aggrieved Employee and his Steward and the Supervisor. If not settled within forty-eight (48) hours, the grievance shall be reduced to writing and submitted to Step 2. Any grievance not presented in writing within ten (10) calendar days of the occurrence of the condition(s) giving rise to the grievable issue shall not thereafter be considered a grievance under this Agreement.

Step 2

Between the Union representative and the Director of the Unit, or his/her designated representative. If the grievance is not resolved at Step 2, it shall be appealed to the next step by the Union to the Department of Labor Relations (or its designee) within ten (10) calendar days of the receipt of the Step 2 decision. Any grievance not appealed to Step 3 within the ten (10) calendar day time limit shall be considered settled and not subject to further review.

Step 3

An appeal of a grievance from Step 2 to Step 3 shall be in writing to the Department of Labor Relations or its designated representative, who shall hold a meeting within ten (10) calendar days of receipt of the appeal. Representatives of the University, not to exceed three (3) in number, will meet with representatives of the Union, not to exceed three (3) in number (including the aggrieved Employee). Additional persons may be present by mutual agreement. Each party's representative shall be responsible for making certain that all relevant dates, facts, and contentions, that are available at the time, have been developed and considered by Step 3. A disposition will be given in writing to the Union within ten (10) calendar days following the meeting. If the Union does not receive a satisfactory written answer, or does not receive an answer within the ten (10) calendar day period following the meeting, the Union may submit the grievance to Step 4. Any grievance not appealed in writing to Step 4 from an answer at Step 3, within ten (10) calendar days of such answer (or lack of answer), shall be considered settled and not subject to further review.

Step 4

An appeal of a grievance from Step 3 to Step 4 shall be made in writing to the Wayne State Department of Labor Relations, or its designated representative, who shall hold a meeting within ten (10) calendar days of receipt of the written appeal and render a decision within ten (10) calendar days of such meeting. To expedite the procedure, the Step 4 meeting may be bypassed if the Union and the Employer have nothing further (evidence, defenses, etc.) to add to the record after the Employer's Step 3 written disposition has been provided.

Arbitration

In the event the parties do not reach a satisfactory settlement of the grievance, the University and Union by mutual agreement may as an alternative method of resolving disputes, proceed to external mediation through the Michigan Employment Relations Commission (MERC) prior to arbitration. The Mediator shall be chosen by mutual agreement. Recommendations submitted by the Mediator are non-binding. At the conclusion of mediation either party may file for arbitration within ten (10) calendar days of the decision reached by the mediator.

In the absence of mutual agreement for external mediation, such grievance may be submitted to arbitration at the request of either party within ten (10) calendar days following the written disposition at Step 4. Written notice to the American Arbitration Association with a copy to the other party shall constitute request for arbitration.

- a. The arbitration proceedings shall be conducted by an arbitrator who shall be selected by the Employer and the Union within seven (7) working days after notice of arbitration has been given. If the parties fail to select an arbitrator, the American Arbitration Association shall be requested by either or both parties to provide a panel of five (5) arbitrators. Both the Employer and the Union shall have the right to strike two names from the panel. The University and the Union shall, on alternate

grievances, strike the first name. On the first grievance submitted to arbitration under this contract the Union will strike the first name and the process will be reversed for subsequent grievances.

- b. The jurisdictional authority of the arbitrator is defined and limited to the determination of any grievance which involves a controversy concerning compliance with any provision of the Agreement and is submitted to him/her consistent with the provisions of the Agreement. The arbitrator shall have no power to add to, subtract from, or modify any of the terms of this Agreement.
- c. The award of the arbitrator shall be based exclusively on evidence at the arbitration hearing.
- d. The University, in no event, shall be required to pay back wages for more than thirty (30) calendar days prior to the date a written grievance is filed. However, in the case of a pay shortage (other than one resulting from misclassification) of which the Employee could not have been aware before receiving his/her pay, any adjustment shall be retroactive to the beginning of the pay period in which the shortage occurred, if the Employee files his/her grievance within thirty (30) working days after he/she becomes aware of such shortage. All claims for back wages shall be limited to the amount of wages that the Employee otherwise would have earned less any unemployment compensation, or additional or new wages for personal services that he/she may have received from any source during the period in question.
- e. The decision of the arbitrator in any one case shall not require a retroactive wage adjustment in any other case, except in representative cases when there is mutual agreement.
- f. The arbitrator shall be requested to issue his/her decision within thirty (30) days after the conclusion of testimony, argument, and submission of briefs.
- g. Expenses of the arbitrator's services and the proceedings shall be borne equally by the Employer and the Union. However, each party shall be responsible for compensating its own representatives and witnesses. If either party desires a verbatim record of the proceedings, it may cause such a record to be made providing it pays for the record and provides a copy to the arbitrator and to the other party.
- h. Should either the University or the Union indicate that a particular grievance or dispute is of such a nature as to require expeditious determination, said party may waive the arbitration procedure as set forth above and request that the grievance or dispute be submitted to expedited arbitration.

Under this process the parties shall mutually agree to select an arbitrator on an ad-hoc basis within seven (7) working days from the date that the request for arbitration is made. Failure to mutually select an Arbitrator within the above stated time period will require the parties

to (within three (3) days thereafter) alternately strike arbitrators from a panel of five (5) arbitrators to be mutually agreed upon at the close of negotiations.

- B. In the event the Union wishes to submit a grievance on its own initiative on behalf of its membership, it shall reduce the grievance to writing and submit it to the Director of the unit or his/her designated representative.
- C. Nothing in this Agreement shall limit the right of the Employer to temporarily fill any position pending the resolution of a grievance or to exercise any other right of management.
- D. Time Limits:

By mutual agreement, extension of time limits may be granted.

- E. Should an Employee who is suspended or discharged consider the suspension or discharge to be improper, a grievance form signed by the Employee must be appealed in writing through the UNITEHERE! LOCAL 24 representative, or his/her designated representative, to Step 3 (the Labor Relations Department, or its designated representative) within ten (10) calendar days of the University's action.

Any employee (with live disciplinary action on his/her record), who is absented from the workplace for more than 30 continuous calendar days shall have the life of the most recent disciplinary action(s) (per unique charge) frozen, until his/her return to work.

- F. RECORDING OF MEETINGS/CONVERSATIONS:

Should either the Union or the University wish to electronically record any meeting/conversation between the above mentioned parties, a written request shall be made to the other party in advance. The party who has received the request shall respond, in writing, within seven days of the request.

- G. Should either the Union or the Employer withdraw a grievance (that has been appealed to arbitration) within 30 days of the arbitration hearing, the withdrawing party shall be responsible for all cancellation penalties associated with that scheduled hearing.

ARTICLE 23 - SHIFT ASSIGNMENTS

- A. The afternoon shift shall be any shift that regularly starts on or after 11:00 a.m. and before 7:00 p.m. The midnight shift shall be any shift that regularly starts on or after 7:00 p.m., but before 4:00 a.m. The time the shift begins determines the premium rate for the entire shift.

- B. Employees working the afternoon shift shall receive premium pay of ten (10) cents per hour. Employees working the midnight shift shall receive premium pay of twenty (.20) cents per hour.
- C. Classification seniority shall be used in determining shift preference.
- D. The beginning and ending time for each shift and work assignment will be developed by the Employer.

**ARTICLE 24 - UNDERGRADUATE TUITION ASSISTANCE PROGRAMS
AND GRADUATE TUITION REIMBURSEMENT PROGRAM**

- A. As part of the University policy to encourage staff members to further their formal education, the Tuition Programs for Employees were established. Under the Tuition Assistance plan, qualified Employees will be issued vouchers which will enable them to register without paying tuition. (Incidental fees, however, must be paid by the Employee.) Under the Graduate Tuition Reimbursement Program, Employees engaged in Graduate study are required to make tuition payments for any graduate course(s) in which they enroll and will be reimbursed by the University upon completion of said course(s) in accordance with eligibility requirements. Reimbursement for Graduate tuition is subject to applicable Federal tax.
- B. The Tuition Programs will provide for two (2) courses or six (6) credit hours, whichever is greater, per semester for two semesters, and one course, or four (4) credit hours, whichever is greater, for one (1) semester during the academic year. There will be no waiting period for eligibility of full-time Employees. To assure that Employees are not assessed late fee(s), participating Employees must file their application with the Total Compensation and Wellness Office not later than three (3) weeks prior to the start of class (es).
- C. As in the past, the Tuition Programs will apply to tuition fees only. Incidental fees, such as laboratory fees, etc., which may be charged are the responsibility of the Employee. Failure to meet and maintain the eligibility requirements for Tuition Assistance will result in the benefit forfeiture and the benefit amount will be recovered by payroll deductions or other appropriate means.
- D. Eligibility:
 - 1. All full-time salaried Employees on the Wayne State University payroll as of the last day of Open Registration. It will be the responsibility of the Dean or Division Head to verify eligibility.
 - 2. College admission requirements must be met.

3. Courses must be taken after normal working hours, unless the Dean/Division Head verifies:
 - a) The course is offered only during working hours.
 - b) The Supervisor is able to arrange adequate coverage of the position.
 - c) Time taken off is charged to vacation or additional hours are worked to make it up. (Working during lunch will not satisfy the make-up arrangement.)
 4. Application must be made prior to the end of the term for which the tuition assistance is requested.
- E. Any Employee who is terminated, leaves employment with the University during the term of tuition assistance, not including layoff or leave of absence, or who fails to successfully complete any course(s) in which they enroll, will thereby forfeit their eligibility under the Programs and be required to reimburse the University promptly for the appropriate amount of Tuition and any other applicable fees. Failure to remit the proper amount will render the Employee ineligible for continued participation in the Tuition Assistance Program.
- F. The application forms will be available at the Total Compensation and Wellness Office, as well as eligibility requirements and any additional information that may be necessary.
- G. A passing grade must be obtained. A passing grade, for an individual course, is a "D" or better for undergraduates and a "C" or better for graduates. A grade of "P" or "S" is also considered passing for classes graded Pass/Fail or Satisfactory/Unsatisfactory. Failure to receive a passing grade will forfeit tuition assistance for the subject semester, and payment in full will be due as required.

Grades of "I" & "Y" must be converted in accordance with Student Requirements.

ARTICLE 25 - SCHEDULE OF WAGES

The schedule of wages for the Employees covered by this Agreement shall be in accordance with attached Schedule "A".

ARTICLE 26 - SAVINGS CLAUSE

If any provision of this Agreement shall be found to be contrary to Federal or State law, or be held invalid by any court or agency of competent jurisdiction, that portion only shall be deemed null and void and such determination shall not affect any other portion of this Agreement.

ARTICLE 27 - OVERPAYMENTS

In the event that an Employee is overpaid by the University, such Employee is required to promptly repay the University the amount of the overpayment.

Effective July 1, 1989, it is understood that, where no dispute exists as to the overpayment or as to the amount owed, the University may recoup the overpayment through payroll deductions. Nothing contained in this article shall preclude the parties from making alternate arrangements to repay the amount owed.

ARTICLE 28 - EMERGENCY CLOSURE

A. Weather Caused Closure

1. UNITEHERE! LOCAL 24. Employees, who are required to work per section 1C, to be eligible for pay, are expected to report on weather caused emergency closure days regardless of public communications that the University is closed. Those who report and work shall receive an amount of compensatory time equal to the time which they worked. Such compensatory time shall be used within ninety (90) calendar days from the date earned in accordance with the operational needs of the department, or it shall be forfeited. Compensatory time shall be utilized in no less than four (4) hour increments. Late arrivals may be allowed to work an entire shift or longer at the department head's discretion. Those arriving less than two hours late may utilize vacation or any other available time other than illness.
2. For closures declared during the work shift, those Employees, who are required to stay, shall be compensated with compensation time equal to the time worked past the declared closure.
3. Department heads shall establish a specific procedure (or number to call) so that Employees may confirm, or understand in advance, that they need not come in on an emergency closure day. Any Employee who comes in despite operation of this specific notice procedure, shall not be eligible for any additional compensation.

B. Other Emergency Closure

For emergency closures that are due to power loss or other reasons, the above paragraphs still apply, except, there shall be no additional compensatory time for work performed on the emergency closure day.

ARTICLE 29 - WORKERS' COMPENSATION

- A. The Employer, in accordance with statutory requirements, provides workers' compensation if an Employee is injured in the course of employment by providing for a continuation of a portion of the Employee's wages.
- B. Providing the eligible Employee notifies the Risk Management Department in writing (one decision only), workers' compensation benefits will be supplemented by accrual illness days until they are exhausted to maintain regular after tax net income. When accrued illness days are exhausted, accrued vacation days will be used to supplement workers' compensation benefits until the bank is exhausted. Such accrued illness or vacation days will be depleted on an hour-for-hour basis. Absent written notification to Risk Management, there shall be no supplement.
- C. Employees will not accrue additional vacation or illness days while they are receiving workers' compensation benefits.
- D. If placement is possible, the Employee may be placed into any University position for which he/she is qualified, including into another unit. The favored work placement shall not displace a seniority Employee in the unit. Favored work placement has priority over Local 24 Contract posting requirements.
- E. The length of the favored work assignment would be at the University's discretion. Disputes relating to inability to perform work in the favored work assignment or the former classification, may be entered into the grievance procedure at step 3.
- F. Providing the Employee's medical restrictions so permit, the Employee shall return to the former classification, if classification seniority permits.

ARTICLE 30 - NON-DISCRIMINATION

- A. The University and the Union both recognize their responsibilities under Federal, State, and Local laws pertaining to fair employment practices as well as the moral principles involved in the area of civil rights. Accordingly, both parties reaffirm by this Agreement the commitment not to discriminate against any person or persons because of sex, sexual orientation, race, creed, color, religion, national origin, marital status, age, physical handicap, political beliefs and, further, no Employee shall be subject to sexual harassment.

- B. Employees who believe that they have been discriminated against for the above listed reasons may choose to pursue their claim through the University's internal discrimination complaint procedure, administered by the Department of Equal Opportunity, or through the grievance procedure of this Agreement.
- C. The initial choice of one of these two internal procedures binds the Employee and the Union as to the discrimination aspect of any claim and prohibits the processing of that same discrimination claim through any other internal procedure.

ARTICLE 31 - CHANGE AND TERMINATION

This Agreement shall remain in full force and effect from **July 1, 2021 until June 30, 2023**, and shall continue in full force and effect unless either party shall give written notice to terminate, modify, or amend such Agreement within sixty (60) days prior to the expiration date. Such written notice shall be sent by registered or certified mail to the other party.

*It is agreed that either the University or the Union reserves the right to cause compensation (wage and/or benefits) provisions to be reopened for bargaining by giving notice to that effect by October 31st of contract year one, two, or three of this Agreement, in which event these compensation provisions may be changed by agreement, to be effective no later than July 1st of the following calendar year. Should the subject reopening result in non-agreement on compensation provisions, the wage matter shall be referred to the Michigan Employment Relations Commission (MERC) for mediation. Should mediation not achieve agreement, the subject shall be referred to expedited arbitration, with an agreed-upon range of outcome ranging from 0% to 2.0%.
